Why don’t you hear more about Louis Prima?

Geico commercials earn phrase (consider opposition)
for deadpan customer counterpointed with voluble celebrity.

Little Richard’s one! Keeley Smith did the stoic bit
with Louis Prima eons ago. Louis gave great show,wit

and driving music. My buddies and I drove
up to Hartford’s State Theatre for him.

They were holding on as other live music venues folded.
“I eat my antipasto twice just because she is so nice,” piped
the hoarse Louis re Angelina the pizza waitress. Her beauty
endure like Olympia’s.
